

CHAPTER 91
FORMERLY
HOUSE BILL NO. 91

AN ACT TO AMEND TITLE 14 OF THE DELAWARE CODE RELATING TO THE PUBLIC SCHOOL ENROLLEES' IMMUNIZATION PROGRAM.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend §131(a), Title 14 of the Delaware Code as follows:

§ 131 Public school enrollees' immunization program; exemptions.

(a) The Department shall from time to time, with advice from the Division of Public Health, adopt and promulgate rules and regulations to establish an immunization program to protect pupils enrolled in public schools from certain diseases. Such rules and regulations shall include at least the following:

(5) Provision for exemption from any or all of the immunization program prescribed for a particular enrollee upon a written statement from a physician, i.e., medical doctor or doctor of osteopathy, stating that the enrollee should not receive the prescribed immunization or immunizations required in the basic series because of the reasonable certainty of a reaction detrimental to that person. The asserted cause of medical exemption may be subject to review and approval by the Division of Public Health. A history of clinical illness of measles or rubella shall not be accepted as cause for exemption. The parents or legal guardian of a child medically exempt from the immunization program shall be informed by schools of the provisions within paragraph (a)(7) of this section;

(6) Provision for exemption from the immunization program for an enrollee whose parents or legal guardian, because of individual religious beliefs, reject the concept of immunization. Such a request for exemption shall be supported by the affidavit herein set forth:

Rules and regulations of the Department shall provide that in the event of such temporary exclusion, it will be the responsibility of the school and the parents or legal guardian of the enrollee to assist the enrollee in keeping up with that enrollee's school work and that no academic penalty shall be suffered by the enrollee upon return to school if the student has maintained that student's relationship with the school through the assignments prescribed. An enrollee so temporarily excluded shall be authorized to return to school once approved by the Division of Public Health;
