AS AMENDED BY

AN ACT TO AMEND THE MEDICAL PRACTICE ACT, TITLE 24, CHAPTER 17 OF THE DELAWARE CODE RELATING TO LICENSURE OF PHYSICIAN ASSISTANTS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Amend §1773(c)(1) of Title 24 of the Delaware Code by striking that subsection in its entirety and replacing it with the following:

“(c)(1) The Board, in conjunction with the Regulatory Council for Physician Assistants, shall suspend, revoke, or restrict the license of a physician assistant or take disciplinary action or other action against a physician assistant for engaging in unprofessional conduct as defined in § 1731(b) of this title; or for the inability to render delegated medical acts with reasonable skill or safety to patients because of the physician assistant's physical, mental, or emotional illness or incompetence, including but not limited to deterioration through the aging process, or loss of motor skills, or excessive use of drugs, including alcohol; or for representing himself or herself as a physician, or for knowingly allowing himself or herself to be represented as a physician; for failing to report in writing to the Board within 30 days of becoming aware of any physician, physician assistant, or healthcare provider who the licensee reasonably believes has engaged in unprofessional conduct as defined in § 1731(b) of this title or is unable to act with reasonable skill or safety to patients because of the physician's, physician assistant's, or other healthcare provider's physical, mental, or emotional illness or incompetence, including but not limited to deterioration through the aging process, or loss of motor skills, or excessive use of drugs, including alcohol for failing to report child abuse and neglect as required by § 903 of Title 16. The license of any physician assistant who is convicted of a felony sexual offense shall be revoked. Disciplinary action or other action undertaken against a physician assistant must be in accordance with the procedures, including appeal procedures, applicable to disciplinary actions against physicians pursuant to Subchapter IV of this chapter, except that a hearing panel for a complaint against a physician assistant consists of 3 unbiased members of the Regulatory Council, the 3 members being 2 physician assistant members and 1 physician or pharmacist member if practicable.

A person reporting or testifying in any proceeding as a result of making a report pursuant to this section is immune from claim, suit, liability, damages, or any other recourse, civil or criminal, so long as the person acted in good faith and without gross or wanton negligence; good faith being presumed until proven otherwise, and gross or wanton negligence required to be shown by the complainant.”.
