§ 101A. Purpose.

The purpose of this title is to assure the people's right to free and equal elections, as guaranteed by our state Constitution. To that end, the full exercise of that right demands that the people be afforded the means to form political parties, nominate candidates and cast ballots for whomever they choose. At the same time, however, lengthy ballots which list a profusion of political parties and unaffiliated candidates, many of which are not serious contenders and lack even a modicum of community support, tend to create voter confusion and to clog the election machinery.

To secure the right to free and equal elections and to preserve the integrity of the democratic political process, it is essential that an orderly system be established:

- (1) For the registration of voters and the preservation of voter registration records;
- (2) To encourage public participation in political parties and to demonstrate sufficient community support of these parties by permitting voters to affiliate with the party of their choice, if they so desire, on their voter registration records;
- (3) To provide a means by which political parties and unaffiliated candidates, which have demonstrated a meaningful level of community support, may qualify for listing on the general election ballot;
- (4) For the orderly and fair selection of party nominees by primary election or political party convention, and for the filling of vacancies among such nominees;
- (5) To provide for the free exercise of the write-in vote for both politically affiliated and unaffiliated candidates who may not qualify for listing on the general election ballot;
- (6) For the conduct of primary and general elections;
- (7) For the certification of election results and the resolution of election contests;
- (8) To provide criminal penalties and civil liability for violation of the laws set forth in this title;
- (9) To provide for all such other matters, related to the electoral process, as may be set forth herein.

(61 Del. Laws, c. 418, § 2.)

§ 102. Deadline interpretation in this title.

Except for deadlines that are specifically set on a Saturday, Sunday or a holiday, all deadlines in this title that fall on a Saturday, Sunday or holiday shall be the next official business day at 4:30 p.m.

§ 1302. Voter registration application.

(a) The State Election Commissioner, in consultation with the Departments of Elections for the counties, shall promulgate the voter registration application and shall set the effective date of each new version. The application shall be updated as necessary to comply with state and federal law and/or to facilitate administration of the State's voter registration program. The application shall be uniform throughout the State and shall be used for all voter registration transactions within the State.

(b) The application shall be in 2 parts. The Departments of Elections for the counties shall send the original part of each application that was accepted and processed to the State Election Commissioner office. The Departments of Elections for the counties shall maintain the second copy in the County Master Record. The records contained in the County Master Record shall remain in the office of each department and not be removed for any reason except as provided by law.

(c) The voter registration application shall include a question asking whether or not the applicant is a citizen of the United States. The Departments of Elections for the counties shall reject the applications of new registrants who indicate that they are not citizens of the United States or who fail to answer the question. The departments shall notify such persons by first-class mail that their application has been rejected and the reason or reasons thereto. Persons already registered to vote who indicate that they are not citizens of the United States shall be notified by first-class mail that their voter registration shall be cancelled at the expiration of 15 days if they do not affirm in writing that they are citizens of the United States. The departments shall cancel the voter registration of any persons who fail to affirm in writing that they are United States citizens after the expiration of the aforesaid 15-day period. Persons who subsequently affirm in writing to a department that they are United States citizens shall be reinstated by the department as a registered voter.

(d) The voter registration application shall include a place for the applicant's home telephone number; provided however, that the provision of a telephone number shall be annotated on the form as being optional, and no application shall be rejected for lack thereof. Any registered voter may have that registered voter's own telephone number removed from the electronic voter registration files by making a request of the department of elections for the county in which they are registered either by telephone or in writing.

(e) The applicant's signature may be a digitized signature obtained by a state agency as part of a process that includes registering a person to vote or updating the applicant's voter registration information.

The State Election Commissioner, in consultation with the Departments of Elections for the counties, may adopt and implement such technology. In the event that the process adopted conflicts with subsection (b) of this section, that subsection shall be considered null and void. These innovations may include adoption of a paperless or semi-paperless registration process.

A person's participation in Department of Justice's Address Confidentiality Program shall constitute a legitimate need and lawful purpose for the purposes of this section. Upon submission to the State Election Commissioner and department of elections for the county in which the voter seeks to register of a certified copy of the court order granting confidentiality, the person's address shall be removed from all voter records available for public inspection, as long as the submission is not 21 days prior to an election, in which case the person's address shall be removed from the voter records within 7 days after the election.

Such oaths or affirmations shall be conclusive evidence to the registration officers of the truth of such oath or affirmation, but if any such oath or affirmation is false, the person making the same shall be guilty of perjury, and no conviction thereof shall bar any prosecution under § 8 of Article V of the State Constitution. (1) If the person who has changed the person's permanent place of residence appears at the polling place for the person's previous permanent place of residence, the election officers at that polling place shall complete the eligibility affidavit promulgated by the State Election Commissioner and obtain the location of the person's correct polling place from the Department of Elections. § 2050. Registration through state agencies [Effective until fulfillment of 85 Del. Laws, c. 63, § 14(f)].

(a) Registration through the Division of Motor Vehicles.

(1) For each person who is not registered to vote and is of sufficient age to register to vote and whose information is not transmitted to the Department of Elections pursuant to § 2050A of this title, each application for a motor vehicle driver's license under the laws of Delaware (including any renewal application) shall serve as an application for voter registration. However, any person who, at the time of the transaction with the Division of Motor Vehicles, provides a document that demonstrates noncitizenship shall not be offered the opportunity to register to vote. The Division of Motor Vehicles may not offer an opportunity to register to vote to an individual applying for a driving privileges card or permit under § 2711(d) of Title 21.

(2) [Repealed.]

(3) An applicant for a motor vehicle license under this section may decline in writing to be registered to vote by way of the application for a motor vehicle driver's license. The fact that an applicant has declined to be registered through the motor vehicle application process shall not be used for any purpose other than voter registration.

(4) Applications for a motor vehicle license under this section shall include as a part of the application a voter registration component. The voter registration component may not require any information which duplicates information required in the motor vehicle license component other than a second signature or information listed in paragraph (a)(5)a. of this section. If the applicant desires not to register to vote, the transmission of an electronic record will notify the Department of Elections of the applicant's intention.

(5) The voter registration component of the motor vehicle license application under this section shall contain all of the following:

a. The minimum amount of information necessary to ensure the prevention of duplicate voter registrations and preserve the ability of election officials to determine eligibility of the applicant and otherwise administer voter registration and the election process.

b. A statement setting forth voting eligibility requirements and an attestation that the applicant meets the requirements.

- c. The signature of the applicant under penalty of perjury.

To the greatest extent practicable, the voter registration agencies' forms must incorporate a means by which an individual who completes the forms may decline, in writing, to register to vote.

b. Employees of the voter registration agency who are trained to provide nonpartisan voter registration assistance, who routinely inquire of individuals served by the agency whether they wish to register to vote, and who, if requested, assist such individuals in completing the registration forms, must provide to each individual who does not decline to register to vote the same degree of assistance with regard to the completion of the registration application form as is provided by the agency with regard to the completion of its own forms. (m) (1) Unless a person who is ineligible to register to vote intentionally takes voluntary action to register to vote knowing that he or she is not eligible to register, the transfer of the person's electronic record to the Department of Elections under this section does not constitute the completion of a voter registration form by that person, and that person may not be considered to have registered to vote or made a false claim to United States citizenship. If such a registration is processed by the Department of Elections, it is presumed to have been officially authorized by the state, and the person is not subject to any penalty under this code.

(i) Post election processing and notification.

(2) The Department shall use the provisional ballot affidavit as authority to register a person to vote who voted by provisional ballot in an election and who is not already registered to vote providing that the minimum information required to register a person to vote is provided. The provisional ballot envelope shall be used to transfer a registered voter's address and/or update the registered voter's name when the address and/or name is different than the information on the person's voter registration record.

Repealed by 77 Del. Laws, c. 227, § 62, effective Feb. 1, 2010.

§ 4972. Rules regarding what constitutes a legal vote.

(a) Votes cast on a voting device are legal votes once the voter has taken the necessary action or actions to cast a ballot. A voter who has cast a ballot on a voting device may not be permitted to cast a second ballot under any circumstances. The paper ballot reflecting the voter's choices is the legal ballot of record.

(b) Votes cast at any election on voter-marked paper ballots must be counted for whom the votes are intended as far as can be ascertained by the marks on the ballot. The following rules must be observed in determining those votes on paper ballots that must be counted:

(1) The voter shall mark the ballot for the voter's selections as instructed.

(2) Where a voter indicates the voter's own selections in a manner not in accordance with paragraph (b)(1) of this section, the election officers shall attempt to determine from the marks on the ballot the candidate or response that the voter intended to select.

(3) If it is not possible to determine a voter's choice for an office or response to a question, the ballot may not be counted for that office or question but must be counted for all other offices and questions on the ballot where the voter's intention can be determined.

(4) A voter may only vote for 2 or more choices for any office or question when specifically instructed on the ballot that it is allowable.

(5) Where a voter is permitted to make more than 1 choice for candidates and or responses to a question, the voter may make fewer than the allowable number of choices.

(6) If a ballot is marked for more names or responses than are permitted, it must not be counted for that office or question, but it must be counted for all other offices or questions on the ballot in accordance with the rules under this section.

(7) If a ballot has been defaced or torn so that it is impossible to determine the voter's choice for 1 or more offices or questions, it must not be counted for the offices or questions but must be counted for all other offices and questions where the voter's choice or choices can be determined.

(8) The misspelled, incomplete, or minor variation of the name of a declared write-in candidate for an office must be counted if the name as written bears a reasonable resemblance to the declared candidate's name and no other declared write-in candidate for the office has a name so similar to the name as written as to leave a reasonable doubt as to the voter's intention. Additionally, writing in the last name of a declared write-in candidate constitutes a valid vote unless there are 2 or more candidates for that office with the same last name.

(9) Writing in the name of either candidate for President or Vice President constitutes a valid vote for the slate.

The votes so given shall be reckoned among the number of votes given in the election district where they were received by the inspector, in the same manner as if they had been given at the regular place of voting in the district; provided always, however, that the Court shall be required to hear and determine challenges as to the right of any person, who delivered that person's own ballot to the inspector, and reject any ballot if the person who cast the same had not a right to vote under the Constitution and laws of this State, either from want of qualification, or by reason of having voted at any other place in the State where the person was entitled to vote on the same day. The duty of attendance upon the Court on the part of such an inspector created by authority of this chapter, and the penalties upon such inspector for not appearing shall be the same as in the case of the inspectors regularly elected or appointed according to law.

(b) The Department shall appoint teams of election judges to fulfill the duties set forth in this section. No more than half of the judges on a team may be registered with any 1 party. A single team may not handle or process ballots or ballot envelopes for more than 1 election district at a time.

(c) The teams shall select ballot envelopes in order of election districts within the county and check them off against the list of absentee voters. For each ballot envelope, the election judges shall ascertain whether a challenge has been made pursuant to this chapter.

(d) Ballots that are not challenged shall then be separated from the ballot envelopes and the ballot envelopes shall be separately stored in a secure location.

(1) If a team determines that an original ballot will not be readable by the tabulating equipment, it shall duplicate the ballot as follows:

a. The team shall assign the same unique identifier to the original ballot and the duplicate ballot.

b. The team shall duplicate the original ballot by marking the duplicate ballot according to the voter's intent as shown on the ballot marked by the voter. If a team cannot determine a voter's intent, they shall consult the county director and deputy county director for advice and guidance.

c. After the team has duplicated any ballots necessary for an election district, the team shall put the original ballots in a separate envelope to be securely stored. The duplicate ballot shall be placed with all other ballots for the same election district for further processing.

(2) If a ballot contains a write-in vote, the team shall record the proper notations of such votes in the election records for the election district in which an absentee voter is registered to vote.

(e) When a team has completed the steps set forth in subsections (c) and (d) of this section, a team shall scan the ballots for tabulation using the ballot scanning devices located in the county elections office.

(f) (1) After the completion of the process set forth in this section, the teams shall secure the ballots in a carrier envelope, seal the carrier envelope, and each member of the team shall sign the member's name on the outside of the carrier envelope, affirming that the team sealed the envelope and that the envelope contains ballots for the election district to which the envelope is assigned. Each carrier envelope must contain absentee ballots for no more than 1 election district and only 1 carrier envelope may be filled at a time. Each signed and sealed envelope shall be placed in a secure location until such time as it is required to be moved or destroyed under § 4980 of this title or other legal process.

(2) At the end of every day, and during any pause in the process set forth in this section, all ballots shall be secured in carrier envelopes and be stored in locked cabinets until opened in a subsequent public meeting for the completion of processing under this section.

(c) A sealed carrier envelope may be reopened only when necessary to certify an election or recount votes cast in an election.

(d) In the event the Department must move absentee ballots for the purposes of certifying an election, or recounting votes cast in an election, it shall select the carrier envelopes for the affected election districts and move them, in a secure fashion, to the location where the carrier envelopes will be opened and the votes inside inspected.

(e) Upon completion of any inspection of votes pursuant to this subsection, absentee ballots shall be returned to the carrier envelopes from which they were removed and the carrier envelopes shall be:

(1) Resealed in a secure manner, or shall be placed in another security envelope, for the purposes of securely protecting the contents thereof from tampering, removal, or substitution without detection; and

§ 5923. Verification of specifications.

Where any contestant or person who has been declared elected and whose election is contested is desirous of obtaining testimony respecting a contested election, such person may apply to the Prothonotary of the Superior Court in Kent County, for a subpoena or subpoenas for summoning such witnesses as the contestant or person who has been declared elected may wish to appear before the special board of canvass at such time as shall be in the subpoenas designated. Such subpoena shall be directed to the sheriff of the county in which the witness or witnesses reside, and shall be served in the same manner as subpoenas for witnesses in civil cases are served. Subchapter III Other Offices

§ 5941. Who may contest; causes.

Any person claiming to be elected to an office to be exercised in and for any county, district or hundred may contest the right of any person declared to be duly elected to such office for any of the following causes:

- (1) For malconduct on the part of the election officers or clerks holding the election, or any one of them;
- (2) When the person whose right to the office is contested was not at the time of the election eligible to such office;
- (3) When the person whose right is contested has given to any elector or inspector, judge or clerk of election, any bribe or reward or shall have offered any bribe or reward for the purpose of procuring his or her election;
- (4) On account of illegal votes.

(17 Del. Laws, c. 33, § 1; Code 1915, § 1901; Code 1935, § 2019; 15 Del. C. 1953, § 5941; 70 Del. Laws, c. 186, § 1.)

§ 5942. Irregularities not invalidating election.

No inequality or improper conduct in the proceedings of the election officers or clerks or any one of them, shall be construed to amount to such malconduct as to annul or set aside any election unless the inequality or improper conduct shall have been such as to procure the person whose right to the office may be contested to be declared duly elected when he or she has not received the highest number of legal votes cast at the election.

(17 Del. Laws, c. 33, § 2; Code 1915, § 1902; Code 1935, § 2020; 15 Del. C. 1953, § 5942; 70 Del. Laws, c. 186, § 1.)

§ 5943. Requirements to set aside election because of illegal voting.

Nothing in this chapter shall be so construed as to authorize an election to be set aside or annulled on account of illegal votes unless it shall appear that an amount of illegal votes has been given to the person whose right to the office is contested which, if taken from the person, would reduce the number of the person's legal votes below the number of votes given to some other person for the same office, after deducting therefrom the illegal votes which may be shown to have been given to such other person.

(17 Del. Laws, c. 33, § 4; Code 1915, § 1903; Code 1935, § 2021; 15 Del. C. 1953, § 5943; 70 Del. Laws, c. 186, § 1.)

§ 5944. Circumstances under which contestant need not claim to have been elected.

When an election is contested because of alleged malconduct of the election officers holding the election or because the person whose right to office is contested was not eligible for such office, a proceeding may be instituted under this chapter against such person by the person who received the next highest number of votes for the office at the election under which such ineligible person was declared elected, notwithstanding the person so contesting the election does not claim to have been elected.

(17 Del. Laws, c. 33, § 5; Code 1915, § 1904; Code 1935, § 2022; 15 Del. C. 1953, § 5944.)

§ 5945. Statement of contestant; contents.

When any person authorized to do so under this chapter desires to contest the right of any person declared duly elected to such office, that contesting person shall, within 20 days after the result of the election shall have been officially ascertained by the board of canvass, or officers legally authorized to ascertain the same, and at least 60 days before the first day of the term of court at which the contest shall be tried or called for trial, file with the Prothonotary in the county in which the contest is made a full, particular and explicit statement setting forth fully and specifically the names of any and all election officers upon the malconduct of whom the contesting persons will rely and

respecting which the contesting person intends to procure evidence, and setting forth the election districts of such election officers and the particular malconduct of each, respectively, the names and residences of the witnesses and the substance of their testimony, by whom the contesting person expects to prove such malconduct. If such contest is based upon ineligibility of a person to hold the office, the statement shall specifically, fully and explicitly state the grounds and causes of the ineligibility of the person whose right to the office is contested. When such contest is based on alleged bribe or reward or the offer of a bribe or reward, the statement shall explicitly, fully and clearly state the name of any elector, election officer or other person to whom any bribe or reward shall have been offered and the time, place and amount of such bribe or reward and the name and residence of the witnesses by whom the contestant expects to prove the offering of any bribe or reward, with a brief statement of their testimony. When the contest shall be on the ground of illegal votes, the statement shall specifically, fully and explicitly set forth the names, residences and respective causes of disqualification of each person alleged to have illegally voted, the polls at which such illegal vote has been received, the names of the election officers favoring the acceptance of such vote, whether such vote was challenged by the duly accredited challenger of the party of which the contestant was the candidate, and whether all the judges or inspectors present at such polls concurred in accepting and receiving such vote. If it appears that all of such judges or inspectors concurred in accepting or receiving such vote or that the right of the voters, respectively, to deposit such votes was not at the time challenged by the duly accredited challenger of the party of which the contestant was a candidate, the legality or illegality of such vote shall not be brought into question in any such contest. The statement shall further set forth the names and residences of the witnesses who shall be produced on behalf of the contestant to prove such illegal votes and the substance of the testimony to be given by each.

(17 Del. Laws, c. 33, § 6; 19 Del. Laws, c. 572, § 1; Code 1915, § 1905; Code 1935, § 2023; 15 Del. C. 1953, § 5945; 70 Del. Laws, c. 186, § 1.)

§ 5946. Verification of contestant's statement.

The statement shall be verified by the oath of the contestant that the matters therein set forth are, so far as they relate to the contestant's own act and deed, true and that what relates to the act and deed of any other person the contestant believes to be true.

§ 5947. Security for costs.

Any person contesting any election under this subchapter shall be required to give security for costs in such amount and manner as the court shall order. Such security, however, shall in no case be enforced unless judgment for costs be rendered against the contestant.

(17 Del. Laws, c. 33, § 17; Code 1915, § 1914; Code 1935, § 2032; 15 Del. C. 1953, § 5947.)

§ 5948. Citation; service and return.

Before the statement is filed, the prothonotary shall docket the case in the appearance docket and immediately issue a citation for the person whose right to the office is contested to appear on the first day of the second term of the Superior Court to make such defense as that person may have, which citation shall be delivered to the sheriff or, if the sheriff be a party to the contest, to a local law-enforcement officer, and be served by the sheriff or law-enforcement officer upon the party defendant in person or, if the party defendant cannot be found, by leaving a copy thereof at the house where the party defendant last resided at least 5 days before the day to which such citation is returnable. The original citation shall be returned to the prothonotary on or before the first day of the next term of Court after it is issued, and the manner of service shall be endorsed thereon and signed by the officer serving the same.

(17 Del. Laws, c. 33, § 9; 19 Del. Laws, c. 572, § 2; Code 1915, § 1906; Code 1935, § 2024; 15 Del. C. 1953, § 5948; 70 Del. Laws, c. 186, § 1; 84 Del. Laws, c. 42, § 1; 84 Del. Laws, c. 117, § 13.)

§ 5949. Dismissal of proceedings.

The Court may dismiss the proceedings if the statement of the cause or causes of contest do not conform to the requirements set forth in this subchapter or for want of prosecution.

(17 Del. Laws, c. 33, § 10; 19 Del. Laws, c. 572, § 3; Code 1915, § 1907; Code 1935, § 2025; 15 Del. C. 1953, § 5949.)

§ 5950. Trial.

If proceedings are not dismissed, the case shall proceed upon its merits and be tried and determined by the Court by the rules of law and evidence governing the determination of questions of law and facts in the Superior Court, so far as the same are applicable.

(17 Del. Laws, c. 33, § 10; 19 Del. Laws, c. 572, § 3; Code 1915, § 1907; Code 1935, § 2025; 15 Del. C. 1953, § 5950.)

§ 5951. Trial by Court; by jury.

All cases of contest under this subchapter shall be fully heard and determined by the Court, without the aid or intervention of a jury, unless 1 or both of the parties to the contest shall claim a trial by jury, and the Court shall, in its judgment, determine that it is a case which, under the Constitution and laws of this State, the party or parties are entitled to a trial by jury. In such case a jury shall be empanelled and the cause proceed according to the rules and practice of the Court in jury trials.

§ 5954. Judgment.

(a) After hearing the allegations and proofs in the cause the Court shall render judgment (in accordance with the verdict of the jury, if a jury shall have tried the cause) either confirming or annulling such election altogether.

(b) If it appear by the judgment of the Court or the verdict of the jury (if there be a jury) that any other person than the one whose election is contested received the highest number of legal votes, judgment shall be rendered declaring such person duly elected.

(c) When the person whose election is contested is proved to be ineligible to the office, judgment shall be rendered declaring the election void and the office vacant, and such proceedings shall then be had as in vacancies happening from any other cause. When it shall appear that 2 persons have received an equal number of legal votes for the same office, the provisions of law for the settlement of such cases shall prevail, if there be any such provision; if there be none, then the office shall be adjudged and declared vacant, and such proceedings shall then be had as in vacancies happening from any other cause.

Each stage of the review process shall be completed within a reasonable time.

(d) Where the State Election Commissioner determines from information received from the Department of Correction that the applicant has not fully discharged all sentences or that other questions or issues relating to the applicant's eligibility are still unresolved, the Commissioner shall deny the application for registration. Whenever there is a vacancy in either house of the General Assembly, by reason of failure to elect, ineligibility, death, resignation or otherwise, within 10 days of the creation of the vacancy a writ of election shall be issued by the presiding officer of the house in which the vacancy exists, directed to the Department or, in case of necessity, in such other manner as shall be provided by law. Whenever there is such vacancy in either house and the General Assembly is not in session, the Governor may issue a writ of election to fill such vacancy, which writ shall be executed as a writ issued by the presiding officer of either house in case of vacancy.

(Code 1852, § 379; Code 1915, § 1816; Code 1935, § 1905; 15 Del. C. 1953, § 7101; 57 Del. Laws, c. 181, § 77; 77 Del. Laws, c. 389, § 1; 79 Del. Laws, c. 275, § 97.)

(b) If a vacancy occurs that would require a special election to be held after June 30 but before the date of the general election pursuant to subsection (a) of this section in the year of a general election, the officer issuing the writ shall set the time for the election to fill the vacancy at the time of the general election unless the vacancy occurs after September 1 but before the general election and the office for which there is to be a special election is not on the ballot for the aforesaid general election, in which event, the officer issuing the writ shall set the time for the special election no earlier than December 12 nor later than December 20 in the year of the general election.

(c) Notwithstanding subsection (b) of this section, if a vacancy occurs that would require a special election to be held after June 30 but before the date of the general election pursuant to subsection (a) of this section in the year of a general election, the presiding officer of the house in which the vacancy occurs may determine that a special election shall be held sooner than the date of the general election, in which event the requirements of § 7101 of this title and subsection (a) of this section shall be followed.

(Code 1852, § 382; Code 1915, § 1819; Code 1935, § 1908; 45 Del. Laws, c. 154, § 18; 15 Del. C. 1953, § 7104; 51 Del. Laws, c. 99, §§ 1, 2; 71 Del. Laws, c. 491, § 1; 77 Del. Laws, c. 389, § 1.)

§ 7103. Candidates.

(a) The county committee for each political party eligible to place candidates on the general election ballot for the most recent past general election may nominate a candidate for the special election by submitting a nomination to the Department office conducting the special election no later than 25 days before the date of the special election. If the legislative district up for election includes the area of more than 1 county, the county committees for each county shall agree on 1 candidate and the committee for the county where the candidate resides shall submit the nomination to the Department office conducting the special election.

(b) A person wishing to run as an unaffiliated candidate who is eligible to hold the office up for election must file a petition in support of that person's own candidacy containing the signatures of at least 1% of all voters who are registered in the legislative district as of the first day of the month preceding the month during which the vacancy was created. The person must file the petition with the Department office conducting the special election no later than 25 days before the day of the special election.

(c) If a party eligible to place candidates on the ballot does not have a county committee in the county in which the special election is to be held, the party's state committee may make the nomination.

(d) Any candidate for a vacancy in either house of the General Assembly must request a criminal history background check no earlier than 90 days before the candidate filing deadline and no less than 25 days before the special election from the State Bureau of Identification and provide proof of the request before they can be nominated as a candidate or file a petition as a candidate under subsection (a) and (b) of this section.

(1) A candidate who is nominated under subsection (a) of this section or files a petition under subsection (b) of this section will be considered a provisional candidate for election until the Commissioner has made the determination that the candidate is qualified under paragraph (d)(5) of this section.

(2) The State Bureau of Identification must provide, within 10 days of the State Bureau of Identification's receipt of the candidate's request, a report of the candidate's criminal history record or a statement that the State Bureau of Identification Central Repository contains no information relating to the candidate.

(3) The information received by the Commissioner from the State Bureau of Identification under this section is not a public record as defined in Chapter 100 of Title 29.

(4) The criminal history background check must be paid for by the candidate but may be reimbursed to the candidate as an authorized campaign expenditure under this title.

(5) The Commissioner must determine a minimum of 15 days before the special election that a candidate is qualified under § 21 of Article II of the Delaware Constitution before a candidate's name may be listed on a special election ballot.

1. A sample ballot; and

2. Instructions on how to use the voting machine.

c. At the entrance to the voting area:

1. A poster that indicates that the room or area is a polling place;

2. A voter information poster as described above; and

3. A sample ballot.

d. Signs marking the route between the entrance and the accessible entrance and the voting room.

e. A poster or other visible object at the entrance to the building used by voters and at the accessible entrance, if different, that marks the building as a polling place.

f. Outside of the building where the polling place is located:

1. Signs that mark that the building is a polling place;
2. Signs that mark the accessible route from parking to the accessible entrance; and
3. Signs that mark or point to the accessible entrance.

(3) The Department of Elections shall provide a Voting Machine Certificate that lists the serial number, ballot number, machine case seal number, printer door number and the protective counter number for each voting machine assigned to the district (where voting by district is permitted) or polling place. Each Election Officer shall witness and verify that the numbers listed on the Voting Machine Certificate are the same as the voting machine serial number, case seal number, printer door seal number, ballot number and protective counter number on the voting machine. If a number is different, the Inspector shall strike through the number, enter the appropriate correction and initial the entry on each of the certificates.

(4) The Election Officers shall then observe the opening of the polls procedure for each voting machine assigned to the district or polling place. If the light in the polls ready to open box on the officer's control panel is in any other but the top position prior to the Inspector pressing the open polls button, stop the procedure and contact the Board of Elections. The machine cannot be used. If, during the opening of the polls procedure, the paper tape shows "error all counters not zero," stop the procedure and contact the Board of Elections. The machine cannot be used. At the conclusion of the open polls procedure for each voting machine assigned to the district or polling place as appropriate, each Election Officer signs the paper tape. After the last Election Officer signs the paper tape, the Inspector shall close the write-in window. Each Election Officer shall then sign § 1 of the Voting Machine Certificate after any discrepancies that were observed were noted on the certificate.

(5) At the time the polls are scheduled to open, the Inspector shall admit voters and authorized challengers to the voting room.

(j) *Voting procedure.* — (1) For municipalities using the State's voter registration information as the basis of permitting a person to vote: a person shall show proof of identity and address, the Election Officer shall circle the person's name on the Poll List, have that person sign the Voter Log, give the person an authorization to vote and direct that person to the voting machine.

(2) For municipalities that do not use the State's voter registration information: a person shall show proof of identity and address, the Election Officer shall then check the person's name and address against the municipality's registration list or if the municipality does not have a registration system, permit the person to vote if that person is otherwise eligible to vote, have the person sign the Voter Log, give the person an authorization to vote and direct that person to the voting machine.

(3) If the Election Officer determines that the person is not eligible to vote in the election, the Election Officer shall refer the person to the Inspector. The Inspector, after hearing and considering evidence, shall determine whether to permit the person to vote. Upon making the decision, the Inspector shall appropriately annotate the Poll List and/or Voter Log.

(4) If a person's eligibility to vote is challenged by anyone for any reason, the Inspector shall immediately hear and consider the evidence and then decide whether the person is eligible to vote. Once the Inspector has made that Inspector's decision, there is no appeal at the polling place.

(k) *At the close of the polls; unofficial results.* — (1) Thirty minutes prior to the closing of the polls, the Inspector shall announce or have another Election Officer announce that the polls shall close in 30 minutes both in the voting room and outside of the entrance of the building used by voters.

(2) At the time that the polls close the Inspector shall announce or have another Election Officer announce that the polls have closed both in the voting room and outside of the entrance to the building used by voters. The Election Offices shall permit any person to vote who was in line at the time the polls closed.

(3) The Election Officers shall remove the cartridges and tapes from each voting machine, record the protective counter and seal numbers on the Voting Machine Certificate, close the voting machines, complete the Vote Tabulation for the election, and post a copy of the results tape from each voting machine on the door of the polling place.

(4) The Election Officers, as soon as possible after the polls have closed and the unofficial results announced, shall deliver all election documents, envelopes and absentee ballots to the municipality's Board of Elections.

(5) The municipality's Board of Elections shall secure the documents, envelopes and absentee ballots until such time that they need to canvass the election.

(l) A municipality shall reimburse the Department of Elections that provides the voting machines for its election such reasonable costs for services provided as established by the State Election Commissioner.

(75 Del. Laws, c. 342, § 2; 70 Del. Laws, c. 186, § 1; 76 Del. Laws, c. 52, § 1; 77 Del. Laws, c. 227, § 2; 77 Del. Laws, c. 409, § 7.)

§ 7557A. Complaint procedure; unlawful election activity altering result of election.

(a) A citizen of a municipality may submit a written complaint to the State Election Commissioner regarding any aspect of that municipality's election activity that is contrary to state or federal law which altered or is reasonably likely to have altered the result of the election. Such complaint shall be filed no later than 20 days after the result of the municipal election shall have been certified by the municipality's Board of Elections. The complaint shall state with particularity:

(1) The action or activity that is contrary to state or federal law; and

(2) The specific basis for the complainant's belief that such activity altered or is reasonably likely to have altered the result of the election.

(b) The State Election Commissioner shall review the complaint and such other materials as he or she deems necessary or appropriate. If, following such review, the Commissioner determines there is reasonable probability that conduct in violation of state or federal law altered or is reasonably likely to have altered the result of the election, then the Commissioner shall file suit in Superior Court on behalf of the complainant to invalidate the result of the election or such other relief as shall be appropriate.

(a) A person certified as being elected shall not take office before the seventh day following certification of the election.

(b) The municipal Board of Elections shall announce the results of an election as soon as possible following the close of the polls.

(c) The municipal Board of Elections shall recount the ballots if the difference between the top 2 candidates is $\frac{1}{2}$ of 1% or less than the total votes cast for the office. Where electors vote for more than 1 candidate for an office, the municipal Board of Elections shall recount the ballots if the difference between the last candidate elected and the next closest candidate is $\frac{1}{2}$ of 1% or less than the total votes cast for the office.

(d) No later than 48 hours following the closing of the polls, the municipal Board of Elections shall convene within to determine the result of the election and certify the name of the winning candidates.

(e) If, following certification of the election and the resolution of any contest, there is a tie vote for a municipal office, then the State Election Commissioner shall order a new election in which only the candidates or positions tied will be on the ballot, unless the laws of the municipality otherwise provide. The municipality shall conduct the special election in accordance with this subchapter; provided, however, that the Department of Elections shall defray the cost of such election up to a cap of \$2,500.

(f) The municipal Board of Elections, following certification of the election and the resolution of any contest, shall audit the election records in order to reconcile the number of voters who cast ballots as compared to the number of voters who returned absentee ballots and voted on voting machines. The results of this audit shall be reported to the municipality's chief executive and be made available for public review.

(g) Sections 5941 through 5955 of this title apply to election contests within municipalities. For purposes of this subsection, the words "county, district or hundred" as used in § 5941 of this title shall mean "municipality" and the words "board of canvass" as used throughout §§ 5941 through 5955 of this title shall mean "municipal Board of Elections."

(b) No agent or employee of the municipality shall open or attempt to open the ballot envelope, or change or alter or attempt to change or alter the ballot envelope, or any writing, printing or anything whatsoever thereon.

(76 Del. Laws, c. 52, § 2.)

§ 7578. Counting procedure for absentee ballots.

At any time between the opening and the closing of the polls on an election day, absentee election judges selected by a municipality's board of elections, shall count absentee ballots at a properly noticed public meeting in the municipality's offices or at the place of the election, at the municipality's discretion, in accordance with the procedures set out below. Anything herein to the contrary notwithstanding, at the discretion of the municipality, the board of elections may itself act as the absentee election judges.

(1) The municipality's board of elections shall appoint a sufficient number of teams of absentee election judges, each consisting of an odd number of electors, to open and tally the absentee ballots before the close of the polls. The board of elections shall be responsible for deciding all challenges and overseeing the process.

(2) The municipality shall provide a list of persons who have returned absentee ballots for review by the public and challengers at the meeting. Challenges must be made prior to the opening of the ballot envelope for the voter being challenged.

(3) If a person has challenged an absentee voter as provided in § 7557(d)(5) of this title, an absentee election judge shall give that person's ballot envelope to the board of elections who shall then hear the evidence and decide the challenge. If the board of elections upholds the challenge, the chairperson shall write the word "CHALLENGED" on the ballot envelope, the reason for the challenge and then sign the chairperson's own name. When the challenge is denied, the ballot envelope shall be returned to the team to be opened and counted. The board of elections, after the close of the polls, shall seal the ballot envelopes for all voters who were successfully challenged in a carrier envelope along with a log sheet showing the serial number of the carrier envelope.

(4) Where absentee ballots have been prepared for counting in advance of the opening of the polls in accordance with § 7579 of this title and are in a carrier envelope, the absentee election judges, upon opening a carrier envelope, shall verify that the serial number on the log sheet is the same as the serial number on the carrier envelope. If the numbers are not the same, the judges shall report the discrepancy to the board of elections and then follow the instructions of the board regarding that carrier envelope. If there are no discrepancies or the discrepancy has been resolved, the team shall remove the ballots from the carrier envelope.

(5) Where the ballots are in the ballot envelopes, a team of absentee election judges shall:

a. Check the ballot envelopes against the list of absentee voters. The teams shall not process any ballot envelopes that the municipality has not listed as returned on the list of absentee voters until the discrepancy has been resolved to the board of election's satisfaction.

b. Reject ballot envelopes that the voter did not sign or seal, or for a voter who is known to be dead. An absentee election judge shall print the word "REJECTED" and the reason for the rejection on the front of the ballot envelope and then at least 2 of the absentee elections judges shall initial beside the entry.

c. Open each ballot envelope in such a manner as not to deface or destroy the self-administered statement thereon or the absentee ballot enclosed and then remove the ballot in such manner as to avoid seeing the markings thereon from the ballot envelope. If there is no ballot in the ballot envelope or if there is more than 1 ballot in a ballot envelope, an absentee election judge shall write the word "REJECTED" and the reason for the rejection on the front of the ballot envelope and then at least 2 absentee elections judges shall initial beside the entries. In the case where there was more than 1 ballot in a ballot envelope, the team shall put the ballots back into the ballot envelope.

d. Once an absentee ballot judge has removed a ballot from a ballot envelope, the judge shall put it face down on the table without examining it. The team shall open ballot envelopes until they have a sufficient number of ballots and ballot envelopes to fill a carrier envelope, create a predetermined batch, or they have opened all of the ballot envelopes for a municipal election district or the election, whichever occurs first. The team shall then shuffle the ballots and then proceed to tally the votes for that group of ballots.

(6) The team of absentee election judges shall then tally the votes for a group of ballots on absentee vote tally sheets with one 1 person reading the votes and 2 others tallying the votes on separate absentee vote tally sheets. Once the team has tallied a group of ballots, they shall verify that the results on both absentee vote tally sheet are the same. If the results are not the same, the team shall re-tally the votes until the result is the same. During the tally process, the team shall:

a. Attempt to determine the voter's intent pursuant to § 4972 of this title in the event that a voter did not mark the ballot as instructed; and

b. Tally votes for write-in candidates on the absentee vote tally sheets if the municipality's charter or code permits write-in votes.

(7) Once a team has tallied the absentee votes for a group of ballots, the members shall sign both copies of the absentee vote tally sheet and then put the voted ballots, rejected ballots, ballot envelopes, and 1 copy of the absentee vote tally sheet into a carrier envelope. The team shall then complete the log sheet showing the serial number of the carrier envelope, put the log sheet into the carrier envelope

and then seal the carrier envelope. The team shall then give the carrier envelope and the second copy of the absentee vote tally sheet to the board of elections.

(8) Upon receipt of a carrier envelope and the second copy of the absentee vote tally sheet for that carrier envelope, the board of elections shall:

a. Put the carrier envelope in a secure location until such time it is needed for a recount, legal action, or is to be destroyed as provided in this chapter; and

b. Record the results from the absentee vote tally sheet onto a master absentee vote tally sheet for the election. After the board of elections has received all of the absentee vote tally sheets and has entered the results for each candidate on the master absentee vote tally sheet, the board shall total the votes for each candidate and then, after the polls have closed, enter the results on the vote tabulation for the election. The board of elections shall then seal the absentee vote tally sheet or sheets in a carrier envelope along with a log sheet showing the serial number of the carrier envelope.

(9) Ballot envelopes received after the ballots have been counted or the ballots for a specific municipal election district have been counted shall be opened and tallied in accordance with the above procedure except that they all shall be sealed in 1 or more carrier envelopes, as necessary, after the polls have closed.

(10) The teams shall repeat the above process as many times as necessary in order to count the absentee ballots.

(11) A municipality that permits absentee voting shall establish a procedure to insure that persons who voted by absentee ballot shall not be permitted to vote at a polling place on the day of the election.

(12) Anything herein to the contrary notwithstanding, when the number of absentee ballots returned to the municipality is less than 5, the municipality may develop a counting procedure protective of the secrecy of the ballot.

(76 Del. Laws, c. 52, § 2; 70 Del. Laws, c. 186, § 1; 81 Del. Laws, c. 419, § 3.)

§ 7579. Preparing absentee ballots to be counted.

Such meeting shall take place, upon proper notice, at any time between 8:00 a.m. of the day prior to the election and up to 1 hour before the polls are scheduled to open. The municipality shall notify each candidate on the ballot that they may have challengers at the meeting during which the board of election opens the absentee ballots. At such meeting, the board of elections shall act in accordance with the same procedures as set out in § 7578(1), (2), (3), and (5)(a) through (d) of this title inclusive, with the exception that the absentee ballot judges shall not proceed to tally the votes for any group of ballots but shall then secure such ballots, ballot envelopes, and any rejected ballot envelopes in a carrier envelope along with the log sheet showing the serial number of the log sheet. The absentee ballot judges shall then seal the carrier envelope or envelopes and deliver it/them to the board of elections. The board of elections shall then secure the carrier envelope or envelopes in locked cabinets until opened at a subsequent public meeting to tally the ballots on the day of the election in accordance with § 7578(4) and (6) through (10) of this title.

(76 Del. Laws, c. 52, § 2.)

§ 7580. Carrier envelope specifications; carrier envelopes as ballot boxes.

(1) For all purposes of this title be considered the official ballot boxes for absentee votes cast during a given election;

(2) Contain voted absentee ballots from a municipality;

(4) Ensure the security of said ballots in the event they must be moved for the purposes of certifying an election or recounting votes cast in an election.

(c) A sealed carrier envelope may be reopened only when necessary to certify an election or recount votes cast in an election.

(d) In the event the municipality must move absentee ballots for the purposes of certifying an election, or recounting votes cast in an election, it shall select the carrier envelopes for the affected municipal election districts and move them, in a secure fashion, to the location where the carrier envelopes will be opened and the votes inside inspected.

(e) Upon completion of any inspection of votes pursuant to this subsection, absentee ballots shall be returned to the carrier envelopes from which they were removed and the carrier envelopes shall be:

(1) Resealed in a secure manner, or shall be placed in another security envelope, for the purposes of securely protecting the contents thereof from tampering, removal, or substitution without detection; and

(2) Put the carrier envelope in a secure location until such time it is needed for a recount, legal action, or is to be destroyed as provided in this chapter.

(76 Del. Laws, c. 52, § 2.)

§ 7581. Challenges.

(a) The ballot of any elector choosing to vote by absentee ballot may be challenged for the same causes and in the same manner as provided in this title for other voters.

(b) In addition, the vote of an absentee voter may be challenged:

(1) On the ground that the statement filed by the voter in compliance with § 7572 of this title is false; or

(2) On the ground that the self-administered statement on the ballot envelope is not signed.

(c) If a challenge is made pursuant to subsection (a) of this section, an absentee judge shall return the ballot to its ballot envelope, shall mark the ballot envelope as “CHALLENGED”, and shall set the envelope aside in a secure location for consideration at a later time as provided elsewhere in this title. If a challenge is made pursuant to subsection (b) of this section, an absentee judge shall mark the ballot envelope as “CHALLENGED” and shall set it aside in a secure location for consideration at a later time as provided elsewhere in this title.

(d) All challenges to absentee ballots must be resolved before the counting of votes may be considered complete. Any challenge not resolved by the absentee judges within a reasonable time of the challenge having been made shall be referred to the board of elections for the municipality for resolution.

(76 Del. Laws, c. 52, § 2; 81 Del. Laws, c. 419, § 4.)

§ 7582. Rejected ballots.

(a) No vote shall be accepted or counted if:

(1) The statement of the absentee voter that appears on the front of the ballot envelope is found to have been altered or is not signed; or

(2) The absentee voter is not a duly qualified elector entitled to vote in the municipality;

(3) The ballot envelope is open; or

(4) It is evident that the ballot envelope has been opened and resealed;

(5) It is evident that the ballot envelope has been tampered with or altered.

(b) If the ballot envelope has not been opened at the time an absentee judge decides that the offered ballot contained therein should not be accepted or voted for any of the reasons set forth in subsection (a) of this section, it shall not be opened but shall instead be endorsed thereon as, “REJECTED”, giving reason therefore.

(c) If the ballot envelope has been opened at the time an absentee judge decides that the offered ballot contained therein should not be accepted or voted for any of the reasons set forth in subsection (a) of this section, the ballot shall be returned to its ballot envelope and the absentee judge shall endorse on the ballot envelope, “REJECTED”, giving reason therefore.

(d) Whenever it is made to appear by due proof to an absentee judge that any absentee voter, who has marked and forwarded the absentee voter’s ballot, has died, the ballot envelope containing the ballot shall not be opened but shall be marked “REJECTED, DEAD”, and shall be preserved and disposed of as other rejected ballots.

(e) Whenever a ballot has not been counted but has been rejected pursuant to this section, the appropriate notation shall be made on the absentee ballot tally and the number of ballots so rejected shall be noted on the certificates of election.

(f) Ballots rejected pursuant to this section shall be deposited in a carrier envelope for the municipal election district to which they apply.

(76 Del. Laws, c. 52, § 2; 81 Del. Laws, c. 419, § 5.)

§ 7583. Validity of absentee voter’s ballot for wrong municipal election district.

If an absentee voter marks and returns an absentee ballot for a municipal election district other than the 1 of which the absentee voter is a duly registered elector, such ballot, because thereof, shall not be adjudged invalid, but, as indicated by the marking of the ballot by the voter, shall be counted as a vote for every candidate appearing thereon who is a candidate for an office to be duly voted for in the municipal election district.

(76 Del. Laws, c. 52, § 2.)

§ 7584. Procedure if requests or ballots sent to wrong official; absentee ballots received by election officers.

§ 8003. Duties of a candidate.

(a) A candidate shall establish a candidate committee. There shall only be 1 candidate committee for any candidate, although such candidate committee may have subcommittees. The candidate committee may continue in existence for more than 1 election period, and with respect to more than 1 elective office. Each candidate committee or subcommittee shall notify the Commissioner as required under § 8005 of this title, and shall comply with all the other requirements of this chapter. A candidate shall be responsible for the lawful operation of the candidate's own candidate committee and all subcommittees thereof.

(b) Except for independent expenditures that meet the requirements of this chapter, all contributions to or on behalf of a candidate shall be placed into the candidate committee, and all expenditures to or on behalf of a candidate shall be made from the candidate committee.

(c) A candidate shall cause the candidate's own candidate committee to keep complete records of all contributions received and all expenditures made by or on behalf of the candidate's candidacy, and shall retain such records for 3 full years following the election in which that candidate was a candidate; provided, however, that the candidate need not keep records of the names and mailing addresses of persons making contributions of \$100 or less in an election period.

(d) A candidate shall file or cause to be filed with the Commissioner the reports required of that candidate's campaign committee under § 8030 of this title.

(e) A candidate shall designate an individual as treasurer of that candidate's candidate committee, in order to assist with the duties under this chapter, but nothing shall relieve the candidate from the responsibility for keeping the records and filing the reports required by this chapter.

(f) A candidate for state office shall file the financial disclosure reports required by subchapter II, Chapter 58 of Title 29.

Notwithstanding § 8003 of this title, or any other provision of this chapter, a candidate for election to a school board or to any other public office that pays less than \$1,000 per year is not required to form a candidate committee if the candidate signs under penalty of perjury a statement, in a form prepared by the Commissioner, certifying that the candidate does not intend or expect that the candidate's campaign will receive or spend, from the date of the first contribution or expenditure on behalf of the candidate's election until the

end of the year in which the election for the office is held, more than \$5,000. If, notwithstanding the execution of the statement, the candidate's campaign nevertheless receives more than \$5,000 in contributions or expends more than \$5,000, including any contributions or expenditures by the candidate, before the end of the year in which the election for the office is held, the candidate shall, within 7 days after the receipt or expenditure in excess of \$5,000, notify the Commissioner and cause to be filed all reports that would otherwise have been required under this chapter.

§ 8005. Duties of a political committee.

A political committee shall:

(1) File a statement of organization with the Commissioner no later than 24 hours after it receives any contribution or makes any expenditure that causes the aggregate amount of contributions by or expenditures to such committee to exceed \$500 during an election period. The statement of organization shall be filed under penalty of perjury, and shall include the following information:

a. The full name and mailing address of the committee;

b. The full name and mailing address of each of the officers of the committee, 1 of whom shall be an individual named as its treasurer;

c. A concise statement of the committee's purposes or goals;

d. The name, office sought, and party affiliation of any candidate whom the committee is supporting or opposing, to the extent such information is known as of the date of filing; and, if the committee is supporting the entire ticket of any party, the name of the party; and

e. If the committee files reports with the Federal Elections Commission or any out-of-state agency, a statement to that effect including the name of the agency.

(2) Report any change in its officers within 7 days after such change becomes effective.

(3) Keep complete records of all contributions received and all expenditures made by or on behalf of the political committee, and shall retain such records for 3 full years following the election in connection with which the contributions and expenditures were made.

(4) File with the Commissioner the reports required under this chapter.

(59 Del. Laws, c. 580, § 1; 67 Del. Laws, c. 449, § 1; 78 Del. Laws, c. 400, § 3.)

§ 8006. Prohibitions.

(a) No person shall, directly or through any other person, solicit or promise any contract, any vote, any employment or other service, or any official action or lack of action, in connection with any contribution.

(b) No person shall make, and no candidate, treasurer or other person acting on behalf of a candidate or political committee shall knowingly accept a contribution made in a fictitious name or in the name of another person. (a) No person (other than a political party) shall make, and no candidate, treasurer or anyone acting on behalf of any candidate or candidate committee shall accept, any contribution which will cause the total amount of such person's contributions to or in support of such candidate to exceed, with respect to a statewide election, \$1,200 during an election period, or with respect to any election that is not statewide, \$600 during an election period.

(b) No political party shall make, and no candidate, treasurer or anyone acting on behalf of any candidate or candidate committee shall accept, any contribution which will cause the total amount of contributions from any political party to or in support of a candidate in an election period of such candidate to exceed, for the following offices:

(1) Governor: \$75,000;

(2) All other State-wide offices: \$25,000;

(3) N.C.C. Executives: \$25,000;

(4) N.C.C. President: \$15,000;

(5) All other county offices: \$5,000;

- (6) State Senate: \$5,000;
- (7) State House of Representatives: \$3,000;
- (8) All other offices: \$3,000.

(67 Del. Laws, c. 449, § 1.)

§ 8011. Contribution limits for parties.

No person shall make any contributions which will cause the total amount of such person's contributions to a political party to exceed \$20,000 during an election period. No treasurer or other person acting on behalf of any political party shall accept any contribution which such person knows will cause the total amount of the donor's contributions to a political party to exceed \$20,000 during an election period. The contribution limits set forth in this chapter shall not be applicable to any contributions received by a political party from or on behalf of any national political party, any organization subordinate to such national political party or any other national political organization established for the purpose of supporting elections to national, state and local offices including, but not limited to, the Republican and Democratic Senatorial Campaign Committees, the Republican and Democratic Congressional Campaign Committees, the Republican and Democratic Victory Funds, the Republican and Democratic Governors' Associations.

(67 Del. Laws, c. 449, § 1.)

§ 8012. Contribution limits generally.

(a) No person shall make, and no candidate, treasurer or any other person acting on behalf of a political committee shall accept, any contribution in excess of \$50 in cash to a political committee during an election period.

(b) No political party shall make any contribution to any political action committee.

(c) Any contribution by a political action committee shall be by a check which discloses the full name and address of said political action committee.

(d) No agency of the State, no political subdivision of the State, no agency of any political subdivision of the State and no agency authorized by an act of the General Assembly shall make any contribution to any political committee or candidate for any elective office. No candidate, treasurer or other person acting on behalf of a political committee shall accept any contribution from any agency of the State, any political subdivision of the State, any agency of any political subdivision of the State or any agency authorized by an act of the General Assembly. Notwithstanding the foregoing, a political subdivision of the State which has enacted an ordinance providing for public financing of elections shall be permitted to make contributions in an amount authorized by such ordinance for campaign expenditures authorized by § 8020 of this title to a candidate committee of a candidate for public office of such political subdivision and the candidate committee shall be permitted to accept such contributions.

(e) Any person other than an individual or a political committee which makes a contribution to a political committee shall notify such political committee in writing of the full names and mailing addresses of:

(1) All persons who, directly or otherwise, own a legal or equitable interest of 50% or greater (whether in the form of stock ownership, percentage of partnership interest, liability for the debts of the entity, entitlement to the profits from the other entity or other indicia of interest) in such corporation, partnership or other entity, or that no such persons exist; and

(2) A responsible party, if such contribution would cause the aggregate amount of contributions by such entity during the election period to exceed \$100.

The political committee may rely on such notification, and should the notification provided by the representative of the entity be inaccurate or misleading, the person or persons responsible for the notification, and not the political committee which received the contribution, shall be liable therefor. A ratable portion of the contribution by the corporation, partnership or other entity shall be deemed to be a contribution under this chapter to the political committee by each such person who owns a 50% or greater interest in the entity, shall be included within the limit imposed by this section on individual contributions, and shall be so included in the reports filed by the candidate committee with the Commissioner under § 8030 of this title.

The Commissioner shall adopt by regulation a uniform summary of the law relating to the reporting of contributions pursuant to this subsection, with illustrative examples of how such law applies in specific cases. Such summary shall be posted on Elections Commissioner's web site, and shall be provided by a political committee to any person requesting same that has made a contribution to such political committee pursuant to this subsection.

(f) Any expenditure made by any political committee on behalf of or in connection with the campaign of any candidate (except an independent expenditure that meets the requirements of this chapter) shall be deemed a contribution under this chapter, shall be included within the limit imposed by § 8010(a) of this title on individual contributions, provided, however, that such expenditures by political parties shall be included within the limit imposed by § 8010(b) of this title on contributions by political parties, and shall be so included in the reports filed by the candidate committee with the Commissioner under § 8030 of this title. Where such an expenditure by any political committee benefits more than 1 candidate, such expenditure shall be prorated among the candidates benefitted for purposes of the limits on contributions. For example, if a billboard depicts 2 candidates' names and likenesses with equal prominence, each candidate is benefitted equally by the expenditure for the billboard.

(g) For purposes of this chapter:

(1) Amounts paid by a political party to compensate individuals working on behalf of all of the candidates of the party, and amounts incurred on behalf of or in connection with 5 or more candidates shall not be deemed to be contributions to the candidates of such political party;

(2) Any reimbursement paid by 1 political committee to another political committee for costs actually incurred by the other political committee on behalf of the political committee that makes the reimbursement shall not be deemed to be a contribution to such other political committee;

(3) If 2 or more candidate committees share the amount of any expenditure permitted under this chapter, no contribution is made, so long as the amounts respectively paid by the respective candidate committees reasonably reflects the amount of the use made by each candidate committee of goods or services for which the expenditure was made; and

(4) Costs incurred by political parties for voter registration and get-out-the vote activities conducted by a political party shall not be considered contributions to any candidate.

(67 Del. Laws, c. 449, § 1; 68 Del. Laws, c. 230, § 1; 78 Del. Laws, c. 400, § 4; 79 Del. Laws, c. 346, § 1.)

§ 8012A. Contributions to a political party from a joint account.

(a) Any contribution to a political committee made by means of a check, debit card, or other means of payment from a joint account shall be allocated to the person who signed the check, who authorized the payment in writing, or who provided an electronic signature or electronic verification for such contribution. If more than 1 person on the joint account signed the check, authorized payment in writing, or provided their electronic signature or electronic verification authorizing the contribution, then the contribution shall be allocated equally to those persons unless written directions are provided upon receipt of the check or authorization of payment as to how to allocate the contribution amongst those persons.

(b) If a contribution to a political committee by means of a check, debit card, or other form of payment from a joint account causes a contributor to exceed the limits established in this subchapter, the treasurer of such political committee shall either:

(1) Return the excessive portion of the contribution to the contributor; or

(2) Reattribute such contribution if:

a. The treasurer informs such contributor in writing that he or she has exceeded the limit;

b. The treasurer informs such contributor in writing that he or she may request the return of the excessive portion of the contribution; and

c. Such contributor provides the treasurer with written directions reattributing the contribution signed by each person the contribution is being attributed within 60 days of the political committee receiving the contribution.

“Paid for by [name of political committee or other person paying for such advertisement].”

For purposes of this section, “campaign advertisements” shall include any communication by a candidate committee or political party that would otherwise qualify as an independent expenditure or an electioneering communication but for the fact it was made by a candidate committee or political party.

(b) All third-party advertisements having a fair market value of \$500 or more, except printed items with a surface of less than 9 square inches, shall include prominently the statement:

(c) The Commissioner may adopt regulations regarding the size, placement and duration of the foregoing statements as the same shall apply to specific forms of campaign advertisements. In connection therewith, the Commissioner may modify or amend the foregoing statements to conform to the requirements of a particular medium (i.e., television, radio, print, Internet), and may by regulation create exemptions from the requirements hereunder where compliance is not reasonably practicable due to the small size or short duration of such advertisements. In all events, however, campaign advertisements having the same medium and duration (for example, 15-second radio advertisements or Internet advertisements having less than 200 characters) shall be subject to the same requirements.

(67 Del. Laws, c. 449, § 1; 78 Del. Laws, c. 400, § 5.)

For purposes of this section, the term “successor committee” shall include any political committee, or committees, as that term is defined by § 8002(19) of this title; provided, however, that where the successor committee is one other than a candidate committee formed to promote the election of the same candidate to a different office than that for which the candidate's original candidate committee was formed, the contribution limits set forth in this chapter shall apply.
